PROFILE

Full Stack Developer with hands-on experience in building scalable web applications using **MERN stack, React Native, and cloud services**. Delivered impactful projects including **CollabSphere (AI-powered collaboration app)** and **ChatterBox (real-time chat app)**. Completed a freelance internship, collaborating with clients to deliver responsive web apps. Seeking opportunities to apply my skills in real-world projects and grow further.

PROJECTS

ChatterBox

04/2025 – 05/2025

React, Express, MongoDB, Tailwind CSS, TanStack Query, Zustand

- Developed a **real-time chat app** supporting **50+ active users** with typing indicators, reactions, and optimized message delivery (<200ms) using **Socket.io**.
- Implemented **1-on-1 & group video calls** with screen sharing and recording features.
- Built **secure authentication** with JWT & protected routes, ensuring reliable user access.
- Optimized scalability using **Stream API** for chat infrastructure.

CollabSphere

06/2025 – Present

MERN, Socket.io, Gemini API

- Built a **project collaboration platform** where teams can manage **10+ simultaneous tasks** and communicate in **real-time**.
- Integrated Gemini API to boost team productivity, enabling **30% faster task handling**.
- Implemented **secure authentication** with **JWT & cookies** for user sessions.
- Enabled **real-time group chat** with **Socket.io**, supporting seamless collaboration.

PROFESSIONAL EXPERIENCE

Web Developer Intern

10/2024 – 11/2024

Freelance Client Work

Remote

- Collaborated with clients to deliver **responsive web applications** tailored to business requirements.
- Designed and implemented **front-end features using React, Tailwind CSS, and JavaScript**, improving overall user experience.
- Optimized React front-end and Tailwind components, improving **page load speed by ~40%** and enhancing SEO score from **65 → 85** on Google Lighthouse.
- Strengthened skills in **API integration, Git/GitHub**, and **problem-solving**.

EDUCATION

Bachelor's Degree in Computer Application

07/2022 – 08/2025

CCSU UNIVERSITY

Meerut

SKILLS

Languages

Java, Python, JavaScript, TypeScript

Framework

React.js, Node.js, Django

Database

MongoDB, MySQL, Redis, Firebase

Cloud Services

AWS (Lambda, S3, EC2, API Gateway)

Developer Tools

Git, GitHub, Jira, Postman, npm / yarn
